

PetFix Northeast Ohio
2021 Financial Report

Revenue

In 2021, surgery fees covered 60% of the cost of keeping the PetFix clinic’s doors open. We raised the remaining funds through donations and foundation grants. Without your assistance, we could not do this important work.

Expenses

When you make a gift to PetFix, you can be confident that your money helps provide affordable spay and neuter surgeries to prevent pet overpopulation and its tragic consequences. In 2021, 76¢ of every dollar went directly to program services.

EVERY CAT AND DOG BORN WANTED AND LOVED
2021
IMPACT
REPORT

What a year! In the face of all sorts of challenges, the PetFix medical staff performed more than 10,000 surgeries in 2021. That's our highest number ever! During the month of June alone, we fixed 939 cats and dogs! Those are amazing numbers. But each animal that is spayed or neutered prevents an average of six unwanted births in the first breeding season alone.

Thank you for making that possible. We are so grateful. You are helping us prevent thousands of pets from struggling to survive on the streets as strays or being needlessly euthanized because there aren't enough homes.

We hope you will celebrate with PetFix in 2022 when we hit another remarkable milestone – **100,000** surgeries since launching our services in 2006.

You Made an Impact for Pet Owners in Need

Your generous donations to the Bates Memorial Pet Fund of \$35,709, along with 2021 grants from the Kenneth A. Scott Charitable Trust, Petco Love and the Ohio Pet Fund, provided extra help to pet owners in need.

Financial uncertainty during these unprecedented times has meant that many pet owners are faced with the difficult choice of fixing their pets or paying their everyday bills. Your generosity enables us to reduce our already low fees for people in precarious financial situations.

In 2021, you helped PetFix subsidize 1,324 surgeries for dogs and cats of low-income pet owners who receive government assistance.

Thank you!

PetFix Mission

PetFix is a non-profit organization that provides high quality, affordable spay and neuter surgeries to end pet homelessness and the need for unnecessary euthanasia.

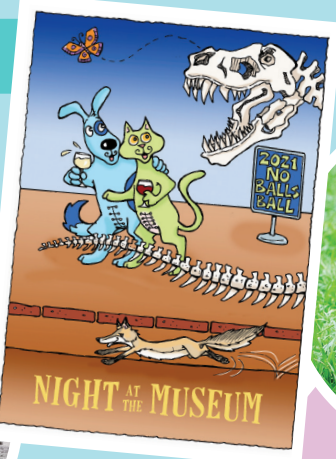

Friends Reunite at No Balls Ball

Last year's No Balls Ball was a tremendous success. More than 80 friends of PetFix gathered at the Cleveland Museum of Natural History for an evening of discovery, great food and lots of fun. It was terrific to see everyone after almost two years without in-person events! We exceeded our fundraising goals for the evening thanks in part to an exceptionally successful silent auction and to dedicated animal lovers who raised their hand to donate in our mission auction. Thank you to everyone who helped make the evening possible, including our event sponsors, Hobe & Lucas, Embrace Pet Insurance and National Associates.

Mark Your Calendars!

Our annual bash will be held poolside, **Saturday, August 27** at Canterbury Golf Club in Beachwood. We look forward to seeing you there.

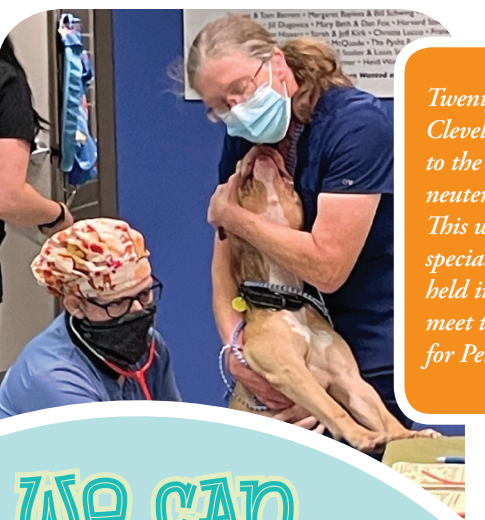

2021 PETFIX PARTNERS

PetFix transports dogs and cats every week from area shelters, spays or neuters them, and returns them that same day. In doing so, we keep animals moving through shelters and into their forever homes, freeing up space for the next animal in need of a second chance. **PetFix also partners with community organizations, rescues and humane organizations who help us provide care to pet owners in their service area who may not have transportation to the PetFix clinic.**

We were honored to join with these transport partners in 2021 to provide a better life for companion animals in our region.

- Animal Welfare Center, Ashtabula County
- Back Streets Rescue, Ashtabula County
- Cuyahoga County Animal Shelter, Cuyahoga County
- Neighborhood Pets Outreach and Resource Center, Cuyahoga County
- Geauga Humane Society's Rescue Village, Geauga County

In addition to our transport partners, PetFix worked closely with more than 40 different shelters, rescues, community cat organizations and veterinary care voucher programs in 2021 to offer affordable spay/neuter services for a total of 3,349 animals.

Twenty dogs from the Cleveland Kennel came to the clinic for their neuters on October 30. This was one of three special Saturday clinics held in 2021 to help meet the high demand for PetFix's services.

We can FIX THIS!

Pet overpopulation remains the number one cause of death and suffering for companion animals. It's a problem we can FIX – but only with your help. PetFix Northeast Ohio is a 501c3 non-profit organization (we do not receive any government funding) which means we rely on the kind contributions of our donors to continue this lifesaving work. If you want to make a difference and help save lives, please consider making a donation today. You can mail your gift using the enclosed envelope or donate online at www.petfixnortheastohio.org. To support us year-round, please consider becoming a monthly donor!
All donations are tax-deductible.

Create Your Own Legacy

Join the PetFix Legacy Circle. Members are dedicated individuals who have chosen to ensure the Organization's sustainability and financial health for years to come by including PetFix as part of their estate plan. Those who make such pledges automatically become lifetime members and are recognized every year in the annual report. We hope that you'll consider creating a lasting impact for pets in our region by joining the Legacy Circle.
