When you make a gift to PetFix, you can be confident that through donations and foundation grants. Without your support, we could not do this important work.

2019 Volunteer of the Year • Alan Dunn
2019 PetFix Heroes • Community Cat Partnerships and Willowdirt Pet Food Pantry

Thank you to our wonderful 2019 donors. We could not do it without your support!
80,000 Surgeries and Counting
Since beginning operations in 2006, PetFix has performed 80,000 surgeries. With the help of donors like you, we’ve been able to prevent well over a quarter of a million dogs and cats from surviving on the streets of Northeast Ohio or being needlessly euthanized simply because there aren’t enough homes for them. We could not do this lifesaving work without you, our spay and neuter supporters!

Ending Pet Homelessness
In February, more than 35 Northeast Ohio animal welfare organizations came together for the Pet Homelessness Regional Summit. This daylong event, co-sponsored by PetFix Northeast Ohio and Best Friends Animal Society, challenged participants to imagine and design a future where every cat and dog born in Northeast Ohio has a home.

Outreach Efforts
Last summer, PetFix engaged in grassroots outreach at festivals, concerts, food distribution days and farmers markets in East Cleveland and the Cleveland neighborhoods of Collinwood, Hough and Glenville. Staff and volunteers shared information about the benefits of spay/neuter, as well as PetFix’s affordable services through the Bates Memorial Pet Fund for low-income pet owners.

Help Us Fix the Problem!
Pet overpopulation remains the number one cause of death and suffering for companion animals. It’s a problem we can Fix — but only with your help! PetFix Northeast Ohio is a 501(c)3 non-profit organization (we do not retain any government funding) which relies on the fund contributions of our donors and grants to keep providing services. To support us now, please consider becoming a monthly donor! To support us year-round, please consider becoming a monthly donor.

MARK YOUR CALENDARS!
Our annual bash, the No Bells, No Calls event 90% of proceeds going to help pets and programs in need, will be held Saturday, September 12, 2020 at the Cleveland Museum of Natural History. This event helps raise essential funds to create a region in which pet overpopulation is a problem of the past and all cats and dogs are born wanted and loved.

Pet Fix Mission
PetFix is a non-profit organization that provides high quality, affordable spay and neuter surgeries to end pet homelessness and the need for unnecessary euthanasia.

2019 PetFix Partners
PetFix transports dogs and cats every week from area shelters, spays or neuters them, and returns them that same day. By doing so, we keep animals moving through shelters and into their forever homes, freeing up space for the next animal in need of a second chance. PetFix also partners with community organizations, rescues and humane organizations who help us provide care to pet owners in their service area who may not have transportation to the PetFix clinic.

We were honored to join with these transport partners in 2019 to provide a better life for companion animals in our region:

- Animal Welfare Center, Ashtabula County
- Back Streets Rescue, Ashtabula County
- Remote Area Medical, Ashtabula County
- What’s One More Cat Sanctuary, Ashtabula County
- Cuyahoga County Animal Shelter, Cuyahoga County
- City of Lakewood Animal Control and Shelter, Cuyahoga County
- Neighborhood Pets Outreach and Resource Center, Cuyahoga County
- Geauga Humane Society’s Rescue Village, Geauga County
- Fairport Harbor Community Cats, Lake County

In addition to our transport partners, PetFix worked closely with more than 30 different shelters, rescues, community cat organizations and veterinary care voucher programs in 2019 to offer affordable spay/neuter services for animals.

Your generous donations to the Bates Memorial Pet Fund, along with the help of donors like you, have helped us to ensure that no pet caregiver living in Northeast Ohio’s underserved neighborhoods must choose between buying food, paying the rent, and fixing their pet.

In 2019, PetFix provided 1,636 free or subsidized surgeries for dogs and cats of low-income pet owners. By eliminating the financial barrier that stops many people from having their animal fixed, you are helping to prevent pet homelessness and its tragic consequences.

Thank you!
